Nootka Marine Adventures Appoints Management Company

Nootka Sound, Vancouver Island, BC – September 14th, 2015 – Nootka Marine Adventures, a Security Properties company, announced today that it has engaged True Key Hotels & Resorts to provide management for its' three fishing resorts "where wilderness meets luxury" on the west coast of Vancouver Island.

Nootka Marine Adventures (NMA) owns:

- Moutcha Bay Resort, located between Gold River and Tahsis, BC, provides a unique collection of products and services not otherwise found in its' region. Designed to meet the needs of families and avid fishermen, it offers guided fishing, boat rentals, moorage, luxury yurts, private chalets, stunning lodge suites, RV and tent sites, and an on-site full-service restaurant.
- Nootka Sound Resort, moored in Galiano Bay off Tlupana Inlet, provides guests a unique all-inclusive fishing experience with gourmet meals and comfortable floating accommodations.
- Newton Cove Resort, opened in spring of 2015, is located in Espinosa Inlet near the Pacific entrance to Esperanza Inlet. Designed to accommodate both large and small corporate incentive groups, this all-inclusive floating resort provides easy access to the region's best inshore and offshore fishing.

True Key Hotels & Resorts is a fast growing company that manages luxury resort properties in British Columbia. It's committed to delivering memorable vacation experiences, and has a proven record of driving success. During the past four years, its properties have enjoyed annual revenue increases of 10-48%.

"NMAs' unique resorts add diversity and depth to the family of True Key managed resorts. NMA will benefit from our brand, management, marketing and strategic planning skills and we'll benefit from the value and credibility their resort properties bring to our portfolio" said Michael Anderson, President, True Key Hotels & Resorts. "These wilderness resort properties are an exciting addition and we look forward to working with the on-site teams at Nootka Marine Adventures"
